“Brady Emergency Care”: Text and Workbook by Daniel J. Limmer. ISBN textbook & workbook: 978-0132543804 & 978-0132375344. **ISU Bookstore 282-3237**

COURSE DAYS/HOURS: 6:00 p.m. - 10:00 p.m. on Tuesday’s and Thursday’s
8:30 a.m. - 5:00 p.m. every *other* Saturday beginning the second week of class

COURSE REQUIREMENTS

FIRST DAY OF CLASS: *Must* provide current Driver’s License as part of the background check process. Please be prompt as orientation to course is in the first hour. Testing, immunizations, CPR, and background check will be discussed.

ATTENDANCE POLICY: The state of Idaho requires all students attend 90% of the course to pass. Students need to make necessary arrangements to avoid conflicts with the course dates/times (work, other classes, etc.).

CPR: Student shall maintain current certification of American Heart Association (AHA) Healthcare Provider (HCP) CPR after the second week of class and throughout the clinical portion of the course.

To schedule a CPR class visit <https://workforcetraining.isu.edu> or call (208) 282-3372

Students who have taken CPR, but not AHA Healthcare Provider CPR, must return to the CPR training center to get documented verification of: 1) concepts taught; 2) successful completion of both a skills test and written test.

IMMUNIZATIONS/TB TESTING: The clinical agency requires all students to provide evidence of immunity to Hepatitis B and measles, mumps & rubella (MMR) and a negative TB test. Details provided the first day of class.

BACKGROUND CHECK: Due to the EMT role of caring for vulnerable humans, agencies require both EMTs and EMT students to pass a fingerprint-based, state and national background check. The cost of the background check is included in course fees. Recent background checks for other organizations cannot be substituted. Passing or failing the background check is dependent on the type of crime(s) and/or when it occurred. Information of this nature is included on the Idaho Criminal History Unit website at <https://chu.dhw.idaho.gov/> (Internet Explorer required). If a crime is on the list as a disqualifying offense, the student cannot enter clinical; therefore cannot pass the course.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES: Reasonable accommodations can be made for those who have a documented disability, which may affect their performance in class. Unless we receive written notification from ISU Disability Services at 282-3599 within one week after the beginning of class, we may not be able to assist in a timely and appropriate manner. The center can provide specific information on procedures.
