DENTAL ASSISTING EXPANDED FUNCTIONS **STUDENT INFORMATION SHEET**

This course is mandated by the Idaho Division of Professional Technical Education.

COURSE FEES

1. Temporary crown restoration (9 hours + final):	\$350*
2. Coronal polish & pit and fissure sealants (9 hours + final):	\$350*
3. Aiding in the administration of nitrous oxide (6 hours + final):	\$200*
4. Use of a High Speed Handpiece to Remove Orthodontic Cement/Resin (5 hours + final)	\$200*

APPROXIMATE COSTS:

Fees are subject to change without notice

** Students may be required to bring disposable supplies from employing dental office. A list of supplies will be provided the first day of class.*

REGISTRATION REQUIREMENTS:

The course instructor will confirm eligibility for course the first night of class. Upon registration student *must* provide proof of:

1. successful completion of a Fundamentals of Dental Assisting course
2. six months full time employment in a dental office (official letterhead with dentist signature prior to the course)

COURSE DAYS/HOURS:

In general, classes occur Tuesday and/or Thursday nights from 6:00-9:00 p.m. See current catalog or receipt for exact dates/times. See 'Clinical Final Exam' below for what to expect after the course.

CLINICAL FINAL EXAM:

Students will be required to schedule in their employers office tasks as defined in class during their regular work hours. Instructor will go to the office to evaluate, with student's dentist, the clinical final. **DATE AND TIME SHOULD BE AGREED ON BETWEEN STUDENT, INSTRUCTOR AND DENTIST.**

DISABILITY ACCOMMODATIONS:

Reasonable accommodations can be made for those who have a documented disability, which may affect their performance in class. Unless we receive written notification from the ISU Disability Services Office at 282-3599 within one week after the beginning of class, we may not be able to assist in a timely and appropriate manner. The center can provide specific information on procedures.
