COURSE DAYS/HOURS: See receipt. 6:00-9:00 p.m. all Tuesday/Thursday nights and one Saturday 8:30 to 5:30. Saturday date provided first day of class.

COURSE REQUIREMENTS

ATTENDANCE: The state of Idaho requires all students attend 90% of the course to pass. Students need to make necessary arrangements to avoid conflicts with the course dates/times (work, other classes, etc.).

CPR: Prior to the end of the course, each student shall have current certification of American Heart Association (AHA) Healthcare Provider (HCP) CPR.

Visit <https://workforcetraining.isu.edu> or call (208) 282-3372 for CPR dates.

If a CPR card does not say AHA Healthcare Provider CPR, the student must return to the CPR training center to get documented verification of 1) concepts taught; 2) student passing both a skills test and written test and required competency.

SKILLS LAB OFF MAIN ISU CAMPUS: Skills labs will occur at a location that is off campus. That information will be given out prior to scheduled lab time.

DISABILITY ACCOMMODATIONS:

Reasonable accommodations can be made for those who have a documented disability, which may affect their performance in class. Unless we receive written notification from ISU Disability Services at 282-3599 within one week after the beginning of class, we may not be able to assist in a timely and appropriate manner. The center can provide specific information on procedures.
