Continuing Education Sewing Classes

Hanna Geshelin, M.Ed., teacher

Introduction to Machine Sewing

The pattern used is provided by the teacher and becomes the property of the student.
Teacher will provide fusible interfacing.

- ***Fabric must be woven cotton or cotton-blend fabric like quilting cotton.*** Please avoid home décor fabric, plaid fabric and fabric with one-way design (fabric with definite up and down direction to the pattern).
- For apron made of only one fabric, 1 3/8 yards of 45" or 60" wide fabric.
- For an apron made with contrasting fabrics, as in picture, 1 1/4 yd. of 45" or 60" wide fabric and 1/2 yard contrasting fabric.
- 1 spool of sewing thread of matching color. 100% polyester or cotton/poly thread. Be sure to get regular sewing weight thread. DO NOT BUY quilting thread, heavy-duty thread, or shiny embroidery thread as these are not suitable for regular machine sewing.
- Dressmaker's shears. Household scissors are not usually sharp enough for cutting fabric.
- Sewing pins.

Helpful but not necessary:

- Water-soluble marking pencil.
- Seam gauge, small ruler, or tape measure.
