## **A Message from our President.....**

We had a wonderful time at the Chinese cultural cuisine, good food and presentation. The Fall classes were all well planned and informative.

The curriculum committee has worked hard on the Spring classes. We have wonderful classes that will be available for the Friends for Learning members. Registration will begin January 16, 2019. Classes will then start in February. We will have the Spring Social again and of course the summer picnic. I'm so excited to get started with classes! And to be able to see old friends and make new friends.

Hope to see you all again!

Friend For Learning President,

Kathie Hendrix

There are many photographs of FFL activities in this newsletter. We are planning to create an FFL Photo Album of previous, present, and future FFL activities.
