FFL Members,

Summer is here and the FFL Spring Semester has come to a close. We had many wonderful classes and activities to attend. The beginning of Fall Semester Registration and the Summer Picnic are scheduled for the same day, August 14, so put it on your calendar! You will be notified soon to reserve your spot at the picnic.

The curriculum committee has been working throughout the summer months to prepare the fall schedule. See the next page for a list of *some* of the exciting and interesting classes to be presented.

If you have enjoyed being a member of FFL, be sure to invite your friends to join us next semester. You may invite them to attend one session of a class (not a limited class) with you. (Most FFL classes scheduled for TAB 200 at University Place Campus are not limited.) Ask them to ride with you as they would not have a parking pass. They then may choose to join our membership at any time during the semester by using the online registration at FriendsFor Learning.com

Fall Semester Registration
