

Auto Restoration Class

NOTES: The class runs for a total of 92 hours, however, participants may attend as many or few of the sessions as desired.

Each participant must provide their own leather gloves, work shoes or boots, safety goggles, coveralls.

For 8 glorious weeks this summer 12 students will lovingly restore a 1950s convertible to full functionality and parade-car glory. Will you be one of them?

During the process, you will learn about car restoration from start to finish, working side-by-side with a trained tech—dismantling, sanding and prep work, painting, interior upholstery renovation and replacement, and final car assembly.

CLASS DATES: May 18-July 9, 2015 (8 weeks)

TIMES: 9:00 a.m.-Noon, M-TH

STUDENT LIMIT: 12 non-credit

FEE: \$300 if registered by April 27, \$350 after.
