COURSE DAYS/HOURS: 6:00 p.m. - 10:00 p.m. on Tuesday's and Thursday's
8:30 a.m. - 5:00 p.m. every other Saturday

COURSE REQUIREMENTS

FIRST DAY OF CLASS: Please be prompt as orientation to course is in the first hour. Testing, immunizations, CPR, and background check will be discussed.

ATTENDANCE POLICY: The state of Idaho requires all students attend 90% of the course, with remediation, to pass. Students need to make necessary arrangements to avoid conflicts with the course dates/times (work, other classes, etc.).

CPR: Student shall maintain current certification of American Heart Association (AHA) Healthcare Provider (HCP) CPR throughout the clinical portion of the course. To schedule a CPR class visit <https://cetrain.isu.edu/> or call (208) 282-3372. *Students who have taken CPR, but not AHA Healthcare Provider CPR, must return to the CPR training center or instructor to get documented verification of: 1) concepts taught; 2) successful completion of both a skills test and written test; 3) scores on testing.*

IMMUNIZATIONS/TB TESTING: The clinical agency requires all students to provide evidence of immunity to Hepatitis B and measles, mumps & rubella (MMR) and a negative TB test. Details provided the first day of class.

BACKGROUND CHECK: Due to the EMT role of caring for vulnerable humans, agencies require both EMTs and EMT students to pass a background check. The cost of the background check is included in the course fees. Recent background checks for other organizations cannot be substituted. Passing or failing the background check is dependent on the type of crime(s) and/or when it occurred. Information of this nature is included on the Idaho Criminal History Unit website at <https://chu.dhw.idaho.gov/> If a crime is on the list as a disqualifying offense, the student cannot enter clinical; therefore cannot pass the course and will be ineligible for reimbursement or transfer of course fees.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES: Reasonable accommodations can be made for those who have a documented disability, which may affect their performance in class. Unless we receive written notification from the ISU Disability Services Office at 282-3599 within one week after the beginning of class, we may not be able to assist in a timely and appropriate manner. The center can provide specific information on procedures.
