Welcome to New Knowledge Adventures

A MESSAGE FROM THE PRESIDENT

Welcome to a New Year and a new semester of lifelong learning!!

Our relationship with Idaho State University continues to be strong. When ISU’s new President Kevin Satterlee spoke to us at our annual business meeting he talked about the importance of education. He told us how impressed he was to find such a large number of people who are active lifelong learners. To that end this semester’s catalog contains another great offering of classes.

We owe a huge thank you to all who make NKA possible. Our success as an organization is the result of a lot of work by a large number of volunteers who give generously of their time especially the instructors who present to us and the facilitators who plan and coordinate the classes. Also key to our success are the great folks at ISU’s Continuing Education and Workforce Training (CEWT). Their registration system and the administrative support they provide keep us going and growing.

Most of our lecture classes will continue to be in Liberty Hall. They continue to make improvements to accommodate the needs of our instructors, however, as our membership grows and the number of classes we offer increases we have moved some of our classes and activities to other venues to better meet their needs. Be sure to note the location of the classes you sign up to attend.

Again, thank you. Without your involvement and participation NKA wouldn’t be the great organization that it is today. Ways you can help NKA thrive include recommending possible presenters for future classes, volunteering for a committee, and telling your friends and neighbors about some of the great classes coming up this semester and encouraging them to join us. Here’s to another great semester!

—Phil Joslin, NKA President

On behalf of myself, I hereby consent to emergency medical care, including transportation to and exchange of medical information with a medical facility.
