

Idaho State UNIVERSITY

CONTINUING EDUCATION & WORKFORCE TRAINING

*These courses are time intensive and all have an attendance policy of 90% or greater! In addition to class time there will be homework and other things to do outside class. **Please** seriously consider your other life commitments and the refund/fee transfer policy before registering for one of these courses.*

Disability accommodations: Reasonable accommodations can be made for those who have a documented disability, which may affect performance in each of these classes. Accommodations cannot be provided without a formal accommodation letter from the ISU Disability Service Office [phone (208) 282-3599]. The center can provide specific information on procedures, which are fairly simple.

Background check	Blackfoot program only^^	Yes^^	No	Yes^^
^^Cost included in course fee. Past background checks cannot be substituted. Passing or failing the background check is dependent on the type of crime(s) and/or when it occurred. See following website at https://chu.dhw.idaho.gov/ If a crime is on the list as a disqualifying offense OR if drug testing is required and the student tests dirty, the student cannot enter clinical; therefore cannot pass the course and is ineligible for reimbursement or transfer of course fees. Please check in time for refund!
