# 2018 Bus Trips For Information Only

The following bus trips have been planned for 2018, and we hope to do more. If you have an idea for a trip, please contact one of the committee members listed below by phone or send an email with your suggestions.

About five weeks before each trip, you will receive details about the trip and will be asked to sign up and send your money by a certain date. At least 40 people need to attend in order to have enough money to pay bus expenses.

### Scheduled trips

- <u>Thursday, May 10 -- Golden Spike National Historic Site</u> We will watch the reenactment of the completion of the country's first transcontinental railroad, and the "Wedding of the Rails Ceremony" commemorating this historic event. Afterwards, we will stop at the <u>ATK Thiokol Rocket Display</u> for a short visit. We will then have a late lunch at **Maddox Restaurant** on the way home.
- <u>**Tuesday, June 12**</u> We will spend part of the day on a guided tour of <u>**Chesterfield Ghost Town**</u>. The community was founded in 1881 by early settlers in Caribou County. Many visitors come to this historic site each year to see the restored homes and listen to stories of the past.
- <u>Thursday and Friday, September 27-28</u> Those who go on this two-day trip to Sun Valley will attend <u>The Alturas Institute Retreat</u>, "*Conversations with Exceptional Women*." In the past, women such as Justice Ruth Ginsburg have been guest speakers at this event. A big plus is that Dr. David Adler has agreed to award scholarships to all members of FFL who attend. That means the registration fee will be waived. More information will be forthcoming, as soon as this year's speakers are announced.
