August 28, 2009

Dear Parents/Guardian,

As a part of the Young Scientists program Idaho State University and Premier Technologies have provided our class with science lab coats and safety glasses for our students’ science activities. They have asked that we send pictures of our students engaged in science activities to show how we are developing and using the Young Scientists materials in our classrooms. In order to send them pictures I need you to sign a release of information form. Please sign and check below if it is or is not okay to send group pictures with your child in them to ISU and Premier and return it to me. If you have any questions please contact me at (208) 222-2222 or at name@sd111.k12.id.us.

Thank you,

Mrs. Frizzle

_____ I give permission for my child’s picture to be taken and sent to ISU and Premier.

_____ I do not give permission for my child’s picture to be taken and sent to ISU and Premier.
