Important Reminders

- Books must be in hand by the first day of class. Students should order early to avoid delays.
- These are all new editions; older versions may not match the current curriculum.
- The code book format can vary: hardcover, paperback, binder, tabbed, and un-tabbed versions are acceptable as long as it is the 2017 Idaho edition.
- Apprentices should purchase only their current year book, plus the code book if needed.
- These are suggested links to reliable sellers. Apprentices may also find these books from other reputable online retailers or used-book platforms.
