Important Reminders

- **Books (or e-books) must be in hand by Day 1**—order early to avoid delays.
- Older editions may not match current coursework.
- The **2023 NEC Code Book** is available in **hardcover, softcover, binder, tabbed, or un-tabbed** formats—**any format is acceptable** as long as it's the **2023 edition**.
- Apprentices should purchase materials **only for their current year**.
