- [Amazon – NEC 2023 with Self-Adhesive Index Tabs](#)
(Any physical format acceptable if it's the correct year.)

Texas Instruments TI-30XA Scientific Calculator

- [Amazon](#)

Important Reminders

- Use discount code **ISU15** at MikeHolt.com for **15% off** Mike Holt materials—this was the code originally provided to Idaho State University apprentices (though it is not currently listed publicly online as of July 28, 2025).
- NEC Codebook must be the **2023 edition**, but format—hardcover, tabbed, spiral, binder—is flexible.
- Proof of ownership is required on **Night 1**—digital or physical proof is acceptable.
- Students should compare pricing across **Mike Holt Enterprises, Amazon, VitalSource, and Builder's Book** to find the best deal.
- Only the books listed are required for **Year 4**—no older editions or supplemental materials necessary.
