December 1, 2025  
Pocatello Safety Fest – May 12 – 14, 2026

Dear Colleague:

Safety Fest of the Great Northwest is FREE to the community and provides safety and health training in an effort to help reduce fatalities, injuries and illnesses. This year's conference will be held Tuesday, May 12<sup>th</sup> through Thursday, May 14<sup>th</sup> at Idaho State University campus, Rendezvous center.

We are sending you this announcement to invite you to consider supporting the event and to participate in the vendor Trade Show at the conference if you are interested.

Support is critical to the success of the event, as participants do not pay to attend classes and instructors volunteer their time. There are costs associated with providing materials to those participants, as well as completion documents such as OSHA 10-Hour and CPR cards. There are multiple levels of support available, each has benefits associated with it. Please see the attached information and contact me if you have any questions; you can use the enclosed form to indicate your preferred level of support.

The trade show will be open to participants on Tuesday, May 12<sup>th</sup> from 7:30 am to 5:00 pm and Wednesday, May 13<sup>th</sup> from 7:30 am to 3:00 pm. Booths are 8 x 8 and include a display table and 2 chairs and access to electricity. Booth cost is \$250 or \$100 for non-profit organizations and Safety Fest Founding Partners. There are 15 booths available and they will go fast, so submit your registration early.

A "Vendor Bingo" game will be promoted during the conference to encourage participants to visit the area. Vendors are encouraged to donate prizes for the drawing on Wednesday. Refreshments will be offered in the trade show area during breaks at the conference.

We want to thank you for your interest and support of the 17th Annual Safety Fest of the Great Northwest Pocatello. Please feel free to contact me if you need more information or you can visit the Safety Fest website at: <http://safetyfest-pocatello.org/> to register to attend the event.

Please remember there are no sales on site.

Sincerely,

Shirley Hockett

Idaho State University

# Safety Fest - Call for Instructors

Safety Fest of the Great Northwest Pocatello is an annual training event that offers FREE safety and health training courses to workers, supervisors, and managers of all levels. We offer this benefit to the community to provide safety and health training in an effort to help reduce fatalities, injuries, and illnesses. We focus on keeping this training free so that local small businesses with minimal or non-existent training budgets never have to suffer when it comes to safety training.

## Safety Fest of Pocatello Supporting Partners

As always, we could not do this event without all of the support and contributions from our Founding Partners, Community Partners, Supporters, Vendors, Instructors, and all our volunteers.

Idaho State University will once again host the 2026 Safety Fest for Pocatello for the second time. Safety Fest is offered at no-charge to participants. We appreciate your willingness to volunteer and bring these valuable classes to our region. *If you are interested in teaching please complete the online form at [cetrain.isu.edu/safetyfest/instructor](http://cetrain.isu.edu/safetyfest/instructor).*

**Please remember there are no sales on site.**

# Safety Fest of the Great Northwest
