Dear Community Supporter,

I am writing on behalf of Behavioral Enhancement Services & Treatment (BEST), LLC. Last year, BEST held the 2nd Annual BEST, LLC Hustle for Mental Health 5K/Fun Run and successfully raised funds for The Center for Hope and Recovery South. With the help of several generous sponsors, we raised and donated a significant amount. BEST, LLC is excited to announce the 3rd Annual BEST, LLC Hustle for Mental Health 5K/Fun Run, scheduled for Saturday, October 5, 2024, at 10:00 am at Lower Ross Park.

This year's 5K donations will support Acorn Fund Pocatello, Inc., a local, volunteer-run 501(c)(3) nonprofit organization dedicated to assisting individuals experiencing homelessness and housing insecurity. Acorn Fund Pocatello Inc. helps these individuals obtain vital records and work clothing, enabling them to apply for and secure employment and housing.

Acorn Fund Pocatello, Inc. provides essential services such as replacing identification documents, including state ID cards, birth certificates, driver's licenses, and other supporting documents. Additionally, they purchase employment clothing and equipment, such as non-slip shoes, steel-toed work boots, scrubs, coveralls, and tools, to help individuals start new jobs. They also offer grants to partner organizations, host community drives, and collaborate with community members to fulfill Christmas wishes for clients of Aid for Friends and other groups.

BEST, LLC is seeking your company's support for this event in any way possible. Here are a few ways your company can contribute:

- Sponsor your employees (fully or partially) to participate in the Hustle for Mental Health Fun Run (see attached price list).
- Donate to Acorn Fund Pocatello Inc. (All donations will be received and distributed by FASI*).
- Donate products for the great swag bag that will be provided to each participant.

We truly appreciate your time and attention to this great cause. Your support will enhance services for individuals struggling with mental illnesses, substance abuse, or other challenges, ultimately helping to make our community a better place.

Sincerely,

Heather Moore, BSN-RN
