# **Merry Christmas and Happy New Year**

Dear Friends For Learning,

It seems that this time of year is not only a time to celebrate Christmas and the beginning of a New Year, but also to reflect and remember the wonderful year of 2019. The classes were really great this year!

There were wonderful presentations by people so willing to share their time and talents. And our members volunteering to help wherever needed. I truly love Friends For Learning! And I have made so many new friends. All of you!!! What a marvelous Christmas gift!
