Handtevy Instructor Course 8am-5pm

Handtevy Instructor Session Cost: \$295

KEYNOTE SPEAKER:

Dr. Pete Antevy, MD

The Handtevy Prehospital Pediatric Instructor Course is a hands-on, interactive "train-the-trainer" class. You will earn a 2-year certification to teach the CAPCE accredited and CAMTS approved Handtevy Prehospital Pediatric Provider Course to crews at your own department. The course focuses on the skills needed to rapidly and accurately treat the sick and injured pediatric patient and is intended to be used with the Handtevy Pediatric System.
