**Mental Health First Aid for Fire and EMS 8am-12 or 1-5pm**

**Mental Health First Aid Sessions Cost: FREE**

Mental Health First Aid for Fire and EMS focuses on the unique experiences and needs of firefighters and EMS personnel and is a valuable resource that can make a difference in their lives, their families' lives and the communities in which they live. Firefighters and EMS workers learn about the importance of early intervention and how, as first responders, they can intervene in the field and provide direct assistance to someone who is experiencing a mental health challenge or crisis.
