COURSE DAYS/HOURS: 6:00 p.m. -10:00 p.m. Tuesday and Thursday
9:00 a.m. - 5:30 p.m. generally every other Saturday

COURSE REQUIREMENTS

FIRST DAY OF CLASS: Please be prompt as orientation to course is in the first hour. Testing, immunizations, CPR, and background check will be discussed.

ATTENDANCE POLICY: Students are allowed up to 12 hours of missed class time with 100% make-up required. Students need to make necessary arrangements to avoid conflicts with the course dates/times (work, other classes, etc.).

CPR: Student must retain a current American Heart Association BLS Provider CPR certificate (no substitutions) throughout the clinical portion of the course. To schedule a CPR class visit https://cetrain.isu.edu/ or call (208) 282-3372.

IMMUNIZATIONS/TB TESTING: The clinical agency requires all students to provide evidence of immunity to Hepatitis B and measles, mumps & rubella (MMR), varicella and a negative TB test.

BACKGROUND CHECK: Required by clinical agency. The cost of the background check is included in the course fees. Recent background checks for other organizations cannot be substituted. Passing or failing the background check is dependent on the type of crime(s) and/or when it occurred. Information of this nature is included on the Idaho Criminal History Unit website at https://chu.dhw.idaho.gov/. If a crime is on the list as a disqualifying offense, the student cannot enter clinical; therefore cannot pass the course and will be ineligible for reimbursement or transfer of course fees.

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES: Reasonable accommodations can be made for those who have a documented disability, which may affect their performance in class. Unless we receive written notification from the ISU Disability Services Office at 282-3599 within one week after the beginning of class, we may not be able to assist in a timely and appropriate manner. The center can provide specific information on procedures.
