Prior to May 15th \$20**

**Regular Registration  
after May 15th \$25**

**June 16-17, 23**

**Ages 13-17**

**All participants must be  
registered prior to event.**

Participants have the opportunity to experience what it is like to be a firefighter! From trying on the gear to basic life-saving techniques, each student will get hands-on experience using the equipment the fire service uses and work with actual firefighters throughout the area. Perfect for any teen interested in working in fire service! The participant must be able to lift 30 lbs. follow instructions, stay on task, and be able to perform the task while wearing the firefighter turnout equipment. Athletic clothes and closed-toe sneakers are required.
