Students are encouraged to obtain all required class supplies, including the specified books and calculator, before the commencement of classes. The NEC code book and Ugly's Electrical Reference can be purchased from various online retailers, including Amazon.com. Both Mike Holt and Cengage provide different versions of their books, including eBooks, giving students the flexibility to choose the format that best suits their preferences. Books can also be purchased at the ISU Bookstore

Paid for by the Department of Labor Closing the Skills Gap grant HG-34342-20-60-A-16.
